We hereby confirm that in year of 2018, the hospital/ clinic PRAXIS
acquired FSN Monitor(s) model: FS-62701D,
manufactured by Foreseeson.

The monitor is connected via HDMI cable to RICHARD WOLF camera processor 5525
model, is used in the daily clinical practice of our institution
when working with endoscopes/ light sources/ video information centres, camera control units and
ultrasound centres.

On average, every day during the various procedures using Monitors for average 6
hours a day, average of 3 patients are examined daily.

More comments

During the usage of the monitors there were no complaints and negative reviews from medical workers.
